CONSERVATION CONGRESS RESOLUTION

THE PROBLEM;

How the executive councilors are selected from our (and other) districts.

The councilors are now selected by a few delegates that manage to get down state for the annual State Conservation Congress Convention. A more democratic way would be to vote by secret ballot at either of our two annual District Meetings.

These district meetings are widely attended and would be a normal and democratic way to select Representatives to serve our(or other) districts.

Be it resolved, the Conservation Congress at its annual meeting held in Ashland County on April 10th 2006 recommends that the Department of Natural Resources take action to change and enforce the way the executive councilors are chosen.
